

## **Cookies**

DAIMLER KAMAZ RUS OOO uses cookies to find out users' preferences and optimum arrangement of its websites. They facilitate navigation and make visiting the site more convenient.

Cookies are small files stored on your device. They are used to identify your device when you re-enter our websites. We use only cookies stored on your device. Personal data can be stored in cookies only with your consent.

If you are using our website, you agree to use and storage of cookies on your device, as described in this section.

Our websites can also be viewed without cookies. Most browsers save cookies automatically. You can prevent storage of cookies on your device by selecting in your browser the setting "Do not save cookies". You can delete cookies installed on your device at any time. You can get more detailed information about this in settings instructions in your browser or on your device.

If you decide not to use cookies, some functions of our websites may not be available for you or may be available only to a limited extent.

You can get further information on how to deactivate cookies in the "Usage Data Analysis" section below.

Cookies can be divided into the following categories:

### Mandatory cookies (type 1)

These cookies are mandatory for continuous operation of the website and its functions. Without these cookies such services as e.g. a vehicle configurator would not be possible.

### Functionality cookies (type 2)

These cookies allow making use of the site and its services more convenient and providing various functions. In functionality cookies we can store e.g. your language settings.

### Performance cookies (type 3)

These cookies collect information about how you use our websites. Performance cookies allow us to tell which sections of our website are particularly popular. This way we can adjust our website content according to your needs and improve our services.

## **Usage Data Analysis**

We use cookies to find out users' preferences and identify popular sections of our website. Thus, we can adjust content of our websites to your preferences and improve the service offered to you.

DAIMLER KAMAZ RUS uses the following services for statistical data analysis:

- Yandex.Metrica web-analytics service provided by YANDEX OOO, 16 L. Tolstoy St., Moscow, 119021, Russia, (hereinafter – "Yandex.Metrica");
- Google Analytics web analytics service provided by Google LLC (hereinafter – "Google Analytics").

The information collected using cookies cannot identify you, but it can help us improve the performance of our website. The information about your use of this website collected using cookies will be submitted

to the companies mentioned above and processed by them to evaluate use of our website, draw up reports for us on activities on our website, and other services.

By using our website, you agree to use of cookies and corresponding information processing in the manner and for the purposes specified in this section.

You can block the function of collecting and analyzing statistics of data on your visiting our websites (“Opt-Out”) in your browser settings at any time. However, this may affect some of the website functions.

Technically, such blocking can be done in your browser settings or by installing the Opt-Out cookie in your browser. This cookie serves only to identify your refusal. However, for technical reasons, the Opt-Out cookie is only applicable in a browser / one a device where it was installed. If you delete cookies from your browser or use another browser / device, the Opt-Out cookie will need to be installed again.
